**Chapter -24**  
**WEB OF LIFE**

**1. Can you tell, why did we try to know and think about all these things?**

**Ans.** We want to know about plants, animals, water, houses, vehicles, etc. because human life is not possible without all these things.

**2. How are we linked to the thing shown in the picture? Come, let us find out:**

**(i) First of all, draw your picture in the blank space.**

**(ii) Now, join your picture with lines to all those things which you feel are needed for you to live.**

**Ans.** Yes.
